## MOULTON SCHOOL - CHILD PROTECTION POLICY STATEMENT

At Moulton School we recognise that all children have a fundamental right to be protected from harm and to grow up in an environment which is not abusive. Children cannot learn effectively unless they feel secure.

Moulton School aims through its Child Protection Policy to:

1. Raise awareness of all staff of the need for child protection and of their responsibilities in identifying and reporting possible cases of abuse.
2. Ensure all staff are alert to possible signs of abuse and know to whom they should report any concerns or suspicions.
3. Ensure all staff are aware of the child protection procedures established by the Northamptonshire Child Protection Committee (NCPC).
4. Contribute to the prevention and reduction of child abuse by incorporating units on child protection and parenting skills within Personal, Social & Health Education (PSHE).

A full copy of Moulton School's Child Protection Policy is available on the school website.
