

# SIXTH FORM APPLICATION FORM SEPTEMBER 2019

Please read this application form carefully. When you have completed all the relevant sections, please return it to main school reception. Applications should be handed in by **Friday 1<sup>st</sup> March 2019**.

You should try to find out as much information as you can about the courses that you want to take if the enrolment process is to be effective for you. The Sixth Form prospectus provides details of the A Level courses available.

Please indicate below which courses you would like to study in the Sixth Form in order of preference. Please note we organise the timetable around your choices to ensure the maximum number of students get the subjects they would like. Whilst we do our very best to accommodate everyone, occasionally it is not possible to give everyone their chosen options. It is important therefore that you add a reserve choice should you be unable to study one of your other choices (usually subject 3)  
Finally, please ensure that you think carefully before returning the form as once the timetable has been planned it may be impossible for you to change your options should a subject clash or a class be full.
