

Dear Parent/ Guardian

As you know, our Year 7 students are following the Accelerated Reader program. After every book they read they are completing a quiz to win words for individual and form prizes. Their individual book level has been decided using a STAR reading test completed in September, this test will be retaken in December.

So far we have five forms who have read one million words!

Within Accelerated Reader there is a feature called **Renaissance Home Connect**, which you and your child can access outside of school from any computer with an Internet connection.

It allows us to share information about your child's progress with Accelerated Reader.

You can log in to Renaissance Home Connect from any computer with an Internet connection and compatible browser. You need this website:

<https://Ukhosted11.renlearn.co.uk/2245785/HomeConnect>

There is also a link on the Moulton School website.

To log on, just complete your child's details

User Name: first initial followed by the first four letters of their surname

Password: first and last initial of their name with no space

(For example, Harry Potter would log on as, User name: hpott Password: hp)

If you'd like to receive regular emails showing your child's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions.

Please do help us to encourage reading, we recommend a minimum of two twenty minute sessions of reading at home each week to ensure the most progress.

If you have questions about Renaissance Home Connect, please do not hesitate to contact us at school.

Thank you

Anna Markie
